FOREWORD

In bringing you this edition of the Bengal we have attempted to preserve for you the glowing memories of a happy, eventful year at old M. H. S. We hope that this year's annual will always be treasured by you. We have endeavored to give you a complete record of the events of the year.

The Bengal Staff is indebted to the administrators and the student body for their splendid cooperation in helping to bring to you your yearbook.

*Sincerely,
Patti*

DEDICATION

We, the Bengal Staff of 1954, dedicate this annual to Miss Mary Frances Dean, who as our librarian has done more than is expected or required of any librarian. Our school is very fortunate to have one who helps the students and faculty so unceasingly.
